The objectives of T.G.F.C. Inc. are:

1. To promote and further the sport of game fishing both as a recreation and a potential source of scientific data for the use and benefit of mankind and to foster tag and release of billfish.
2. To encourage and assist in research programs dealing with the conservation and orderly management of all marine species and the pollution of their natural habitat.
3. To endeavour to ensure that all members obey the rules as determined herein, both in the letter and spirit and to maintain the highest ethical standards at all times and on all occasions.
4. To remain affiliated with the Queensland Game Fishing Association (Q.G.F.A.) and to capture fish in accordance with the rules of Game Fishing Association of Australia (G.F.A.A.).
5. To keep and maintain records of fish captures and to submit to the proper authorities on behalf of the member's claims for record fish captures.
6. To maintain historical records of the activities of the Club and the members.
7. To engage in competitions with other Clubs affiliated through their State association with G.F.A.A.
8. To promote, enhance and advance the sport of saltwater game angling by publicity through any lawful current media for the distribution of news.
9. To promote instructional and social activities among members and to award trophies.
10. To affiliate with any society, body or association having similar objects for the purpose of better attaining or otherwise furthering the objects and interest of the club.
11. To purchase, transfer, sell, assign, mortgage, charge, lease, hire or exchange land, boats and /or any other property or goods in any manner authorised by law.
12. To do all such acts as may be deemed necessary in order to achieve any or all of the above objects.
13. To use any income derived from the club to be used solely for the development of fishing and to promote this to all members of the community at all times.
14. To encourage and promote, within the membership, safety at sea.
